

Congratulations to Adele & Archie...

Update to Archie's story...

“Well I left you knowing that I would attempt the hotly contended Regionals on Wednesday 17th February. I decided to pop down to Crofton on the Saturday before to blow the cobwebs away...we won the medium class and were 3rd in the Advanced Medium! Extremely proud of him, as all the big guns were out practicing too!

Wednesday came so up at 4am, to be loaded and leave by 6am. The warm up went well and in we went, trying our hardest. I was hoping not to be last, and praying for mid way...then to our surprise we came 8th!

So, so, proud of my lovely little forester.”
