

Erika's New Forest Hounds Charity Flat Race at Larkhill (5 March 2017)...

G53/115 Warren Trail Layer 2011
(*Applewitch Pure Magic / Warren March-On*)
Bred by Carol Lovell

The race went brilliantly..."Super Snail" won his TBx horses. Leading most of the way until the last bend, but we were the first pony to cross the line...and win the Warren Briscoe Trophy that my Gran & Grandad donated! I won this trophy 22 years ago on Warren Blue Riband, who was by Appledore Bart (*the sire of Magic's dam Marydore Apple*)...talk about keeping it in the bloodlines!

I competed in the race to support the wonderful Hampshire & Isle of Wight Air Ambulance...and raised the most sponsorship money (£382.50)!

I can't thank you all enough for your support and sponsorship!
