

G51/326 Wickwood Champion 2009

(Brookshill Brumby / Bigwig Hotspot)

Bred by Sandy Shore

Owned by Sally Taylor and competed by Emilie Philps Taylor

Wickwood Champion aka Darwin was born on Burley Moor in the New Forest to breeder Sandy Shore. He had character from the outset with Sandy saying he was one of the cheekier foals she has bred!

I bought Wickwood Champion in May 2013 at the age of just 4 for my daughter Emilie and we quickly realised he was a quirky lovable rogue, who melted your heart as soon as you met him. Emilie and Darwin have grown together with many "ups and downs" along the way. Being rather sharp he has never been a novice ride, but has taught my daughter to be the accomplished rider she is today. Emilie and Darwin now do showing, dressage, show jumping and most recently cross country.

They excel in

all they set out to do...as long as Darwin is in the right frame of mind!
