- **Transfer fee is £15 (£7.50 for current Society members). Check website for current fee.**
- **For return by Signed For Delivery (recommended but optional), add £3.**
- Use a strong, padded envelope and ensure sufficient postage is paid. Write return address on the back of the envelope.
- The Society recommends the use of Signed For Delivery and accepts no responsibility for passports lost or damaged in the post.
- This passport is a valuable document, PLEASE LOOK AFTER IT CAREFULLY. Duplicates currently cost £60.

The horse passport does not constitute proof of ownership of the horse. However, it is a requirement under the Horse Passport (England) Regulations 2009 to register a change of ownership with the relevant passport issuing organisation within 30 days of acquiring a horse.

It is an offence to sell a horse without a passport. Sale of any horse should not be completed if the passport has not been provided. The passport must match the horse in question. If the purchaser does not receive the horse's passport, they will also be committing an offence when transporting the horse to its new home.
