### **CLOSING DATE FOR ENTRIES – 1 AUGUST 2019**

Entries may be handed in at the Society stand at the New Forest Show, in the centrally located Heart of the Forest area.

### **SPONSORSHIP**

Thank you so much to all our sponsors who have so generously come forward. If you or your company would like to sponsor, please let us know, and your details will be in the catalogue.

### **GENERAL REMINDERS**

- HOYS entries **MUST** be made on the HOYS entry form. This is a HOYS requirement. If you have never entered a HOYS class before, you will have to register on their database on the HOYS website, and get your ID numbers.
- Please make sure that you have done all your transfers of ownership and transfers to the Gelding Register, so that entries as catalogued are correct.
- Foals – these must be either registered prior to entry, or the entry must be accompanied by a Birth Notification Form – the front page of the registration form. This is so their breeding can be checked and they are entered on the database which makes cataloguing them so much easier.

### **EQUINE INFLUENZA OUTBREAK – FLU VACCINATION POLICY**

The Council of the Society strongly recommends that all ponies are vaccinated in line with BEF/BEVA recommendations. The Council reserves the right to bring in further measures depending on the circumstances prevailing at the time of the show, and in consultation with the Honorary Veterinary Surgeons.
