Roy is a homebred gelding. He is a special pony who could go far in the right hands, we think WHP could be his forte. Then again he could make a super all round pony. We started his education last year lunging & long reigning well, making a lovely shape when lunged over small jumps. Roy moves like a dream and has a great temperament, being good to do in all ways. He loves a fuss and has done extremely well in-hand, winning and placed every time he's been shown. He has been wormed regularly and is up to date with his vaccinations. Roy will need to wear a fly rug.

Beautiful 3 year old Gelding who is 14HH and still growing, he will be a good sized pony. He has the conformation and movement to show at high level but equally be the typical forester Jack of all Trades. He has a happy can do attitude and loves attention. He is very well handled and quietly had tack on last Autumn. He has also been lunged and long reigned gently and loved it. He trots up beautifully in hand to show and has been bathed. He travels and loads well in a trailer or lorry. He could not have had a better early education but my ponies are very much allowed to grow on naturally. He is fully vaccinated, worked and trimmed. If you are looking for a quality well started pony I cannot recommend him enough. I am more than happy to keep him on but am offering him now as totally genuine ponies of this type are hard to find.

Very sweet mare who has been forest run. She has been shown and placed at county level and had a filly foal last year. She ran back with Byfleet Loganberry July/August 2020 but is showing no signs of being in foal for this year so is ready to start her ridden career

Sire - Willoway Double O'Seven

Dam - Princess

Pickle was born at the end of May 2020, she is out of my registered Exmoor mare Princess (Tawbitts Peter/Tawbitts Olivia). Her Sire is Willoway Double O'Seven (willoway Double Gold/Willoway Martini). This filly is incredibly correct with exceptional limbs and straight paces, and will make a HOYS show hunter pony or plaited worker. She will also be a great contender for the HOYS part bred class. Pickle is well socialised and has been out with three other mares and foals. Both her parents are NPS Silver Medal winners, very correct and typey for their breed standards. Her Dam has been champion Exmoor - South of England Show, Surrey County, Derbyshire County, TSR Summer Show, 2nd Royal Windsor and also went through to the Cuddy qualifier several times and has always been pulled into the top 6. She was also the only Exmoor to represent the breed in the NPS Silver Medal Final in 2018. Her sire won the British National Foal show, and went reserve supreme mountain and moorland, he was also 1ST Bath & West, Kent County and 2nd Three Counties. 007 has also won several NPS classes showing as an M & M and also as a Show Hunter Pony, as a 2 year old he was sports pony graded achieving first premium. He has just been broken to ride and showing a real aptitude for eventing/working hunter.
