Top Class 133cm Working Hunter/ Ultimate Family Pony

'Sol' is a beautiful grey 133cm 3 year old New Forest Gelding. He has been slowly and carefully produced and is now ready to go out for next season as a novice working hunter/ competition pony or ready to join a loving family. He is easy in every way, to clip, box, and with the farrier. Good in traffic, hacks alone and in company. Turns out with mares, stallion and foals. He is schooling in a nice outline and showing huge scope free jumping. He has also seen hounds and proven very sensible. Sol is one of those rare finds that is quiet enough for a small child, but athletic and talented enough to suit a competition home. His temperament is second to none. He will be sadly missed. Sadly outgrown - has had the same home for four years. Missy has attended PC rallies and PC Camp. She has competed in hand and under saddle in the show ring. Missy loves jumping and is regularly in the ribbons at 70cm with the scope and the ability to go higher. She hacks out on the open forest and is suitable for a competent child or small adult. She has a mischievous side and will squeal and buck in canter - not constantly but with a weak rider this can be unseating. My son has no trouble controlling her. She is a fun character who is good to handle etc. Please do not hesitate to contact me, I would encourage prospective bidders to view this pony. Genuine, honest sale.
