MICROCHIPPING

With the exception of classes 71 and 74, all entrants at the show must be microchipped, and the microchip number recorded on the Society database.

EQUINE INFLUENZA VACCINATIONS POLICY

It is strongly recommended that ponies entered for the show are vaccinated against Equine Influenza, but it is not a condition of entry. The Society reserves the right to amend this policy according to the conditions prevailing at the time of the show. All ponies that qualify at the breed show for the NPS Summer Championship show or the NPS Great British In-Hand show or the

Horse of the Year show must be fully vaccinated in accordance with NPS/HOYS rules before they compete at any NPS show or HOYS.

MEASURING

All ponies entered in a class with an upper height limit (eg 133 cm, 138 cm) must be measured on the showground before the class by the Society's official measurer (with the exception of class 6, Horse of the Year Show M&M qualifier, where ponies will be required to be in possession of a current/valid JMB height certificate within 28 days of the notification of qualification from HOYS or by the closing date of HOYS entries, whichever is sooner) whose decision is final, unless they produce a JMB Certificate or a veterinary measurement height certificate (allowing 1 cm for shoes), which should be presented with the pony to the Measuring Steward so that it can be ratified. JMB is now paperless and online only, so competitors wishing to use a JMB measurement must bring a printout of their pony's JMB database entry.
