

New Forest Livestock Society

22nd September 2022 Beaulieu Road Sale - Cancelled

The New Forest Livestock Society, in conjunction with Southern Counties Auctioneers has taken the decision to cancel the sale planned for Thursday 22nd September due to several cases of 'Strangles' being identified within the vicinity. This is a huge disappointment for everyone concerned, including all the contractors involved with the reconstruction work of the yard following the fire damage last year, who have worked hard to get the sale yard functional in readiness for the Autumn sales. Monitoring will continue and appropriate communication will be posted with regards to future sales in due course.
