Roy is a lovely, even tempered pony. He is homebred with plenty of quality and terrific movement. Roy has successfully been shown in hand with many wins and championships. He is good to do in all ways and was professionally broken in 2 years ago, but with Covid his further education was put on hold. I do not think it would take him long to pick it back up again. Roy should make a super family pony, working hunter or pony club pony. He is full brother to county winning mare Kauri Evenstar. Roy will need to wear a sweet itch rug but is very well controlled with this. He is fully vaccinated and wormed regularly.

Hilltop Poppy is forest bred (sired and born on the open New Forest). She has been wormed, is being handled and is walking out on a halter. She is inquisitive and comes up to you in the field.

Poppy is a strong, well built foal with lots of character and presence who will go on to make a good riding pony. Height is very hard to predict but should make at least 13.2 - 13.3HH.

Poppy's sire is Brookshill Major II (Bay). His sire is Haywards Impressionist (S50/561) who goes back to Longcopse Elton (S39/206). Major was awarded Reserve Stallion with Best Foals Born on the Forest 2022. He came second at the Annual NFPB&CS show for forest run stallions 4 years and under and also took the Beaulieu Road Sales Championship (he was sold through Beaulieu

Lovely forest bred colt, Sam has a very placid outlook on life. He was weaned at the beginning of October, is microchipped and wormed. Sam can be caught without a head collar in the field and is continuing his leading education. Sam can be brushed all over and have his feet picked up. He is eating hard feed and is being led in and out of the stable/field daily. Forest bred, viewings welcome.

Tic Tac has been shown since a foal in hand and has won numerous youngstock and coloured classes including reserve chaps champion on first outing. He is very correct and is a big moving straight pony. Tic Tac is good to catch, load, trim and bath - being coloured he is used to standing by the hose for a long time. He has travelled in both a trailer and side loader and and happily stands on the box whilst his friends are in the ring. He has been stabled last winter, now running on 60 acres with 9 other colts and stallions so is very well socialised. Tic Tac would make a HOYS Non Native plaited in the future and is eligible for over stamping with TGCA, BSPS and Chaps. Happy for him to be viewed prior to auction closing date.

Rare to find NF X TB roan mare, 15HH. Prim is a genuine homebred mare with a kind temperament. She is 5 years old and was broken in during 2020 and was professionally schooled last year. Prim hacks alone or in company on the open forest and is well behaved in open spaces with dogs, cows, wild ponies etc. Prim has been shown in-hand, competed at unaffiliated dressage and will jump a small course of show jumps. She is available due to lack of time, she is forward going and would suit a adult or confident teenager and would be ideal for riding club activities. No lumps or bumps, fully vaccinated and is good to catch and shoe. Due to her age Prim is still green and suited to an experienced home to ensure she reaches her full potential. Viewings welcome.
