Peanut has been a little girl's best friend for the last year. Sadly, due to his rider moving onto a family pony he is turning into a companion, so he is now looking for his next best friend. He has competed at local shows as well as mounted games competitions. We have done more lead rein with him than off, but he will follow you round like a dog! He happily pops a small jump and rides in a lovely outline with a strong rider. He has a great character that always wants to take part and loves attention. Peanut turns out with mares & geldings and is easy to catch. Bare foot and up to date with vaccinations. He has a slightly sore ear but has been checked over by a vet and doesn't need any further visits.
