**BOXING DAY POINT TO POINT**

**RIDER DECLARATION FORM**

**EXPRESS CONDITIONS OF ENTRY**

Point to Points can be hazardous events and all competitors enter entirely at their own risk. The NFPB & CS can take no responsibility for any injury or accident to any person competing or otherwise who attend this event. It is a condition of entry that all competitors carefully read and signify acceptance of the risks and rules as set out in the schedule below:-

Due to the nature of the race, and the infinite routes to cross the terrain, it is not possible to provide more than the most basic assistance to the injured. The injured can expect to be kept warm, to have their airway secured, to have bleeding controlled by pressure, and to be resuscitated with intravenous fluids if this is technically possible.

It is not possible to give instant pain relief, or oxygen, and any procedure involving equipment that cannot reasonably be carried in a single rucksack will not be provided until the emergency services can attend the patient and initiate medical treatment. All this means that the fallen rider is likely to wait substantially longer for definitive emergency treatment than the average road traffic victim.

Hard Hats to BSEN 1384 or PAS015 standard must be worn.

Body Protectors to Level 3 are compulsory for children aged 16 years and under and are strongly recommended for all other competitors.

All competitors are reminded that they are responsible for their own actions and those of their animals and must therefore ensure that they hold adequate third party liability insurance.

**I confirm that I have read the above, acknowledge the limitations of the medical cover and agree to abide by these express conditions of entry.**

**I also confirm that if I contravene any of the event rules I understand that I may be disqualified from this and future events.**
