This form is to be used to apply for an identity passport for an equine (donkey) of unverified breeding and/or age. If it already has, or is eligible for, stud book documentation the relevant breed society should be contacted.

All applications must be correctly completed, signed and accompanied by the original identification chart overleaf which has been completed by a Veterinary Surgeon.

Any prefix or suffix within the name of the equine should only be used by the breeder and must have been registered with the Central Prefix Register.

If you would like receipt of application acknowledged, please enclose a stamped, self-addressed envelope.
