

NEW FOREST PONY BREEDING AND CATTLE SOCIETY

COUNCIL ELECTIONS 2026 – REQUEST FOR NOMINATIONS

Nominations are invited for election to NFPB&CS Council from March 2025. Six members of the Council are due to retire by rotation and all are eligible to stand for re-election.

The Council

The Council is the Society's governing body and is responsible for the strategic direction of the Society and monitoring its operations and overall performance. The Society is both a registered charity and a Company Limited by Guarantee, and a Council Member is both a charity trustee and a company director. More about the role and responsibilities of charity trustees can be found at the Charity Commission website: www.charity-commission.gov.uk

The Council normally meets four times a year, which are a mixture of live and online meetings, although the aim in 2025 may be to hold these mainly as live meetings in Lyndhurst. In addition, Council Members are expected to attend the AGM, the breed show and certain other events as may be determined from time to time by the Council. The General Purposes Committee, of which all Council members are members, meets monthly except when Council meets. These were by Zoom in 2024 and this is likely to continue for many of the meetings in 2025/26. Council members normally sit on at least one other Committee and may also be invited to serve on working groups.

Members elected to the Council serve for three years before retiring by rotation. There is no maximum consecutive term.
