Registration and Passport application refresher morning

The Society is offering an opportunity for all breeders to refresh their registration and passport application completion skills ahead of the registration season this year.

This will take place at **Ford Farm, Brockenhurst on Saturday 04 July, 10am – 12pm**, kindly hosted by James Young & Trudy Nineham.

There'll be a presentation on how to complete registration application forms including filling out the silhouette and describing markings correctly, ensuring the correct colour is noted, and a run-through of the New Forest Pony 'breed standard' required for entry into the studbook.

There is no charge to attend, but spaces will be limited, so please contact the office to book your place by Thursday **02 July** if you'd like to come along.

NFPB&CS Annual Breed Show: 29 & 31 August 2026

The schedule for the 2026 Society Annual Breed Show will be available shortly on the Society website.

Entries will open in due course via www.entrymaster.co.uk and close on 17 August. Late entries will be taken on the day subject to a £5 surcharge for members and a £10 surcharge for HOYS entries.

*****Due to the current outbreak of Equine Influenza in England, attendance at the Annual Breed Show will be subject to all entries being vaccinated, with a minimum of an in-date, annual vaccination* with six-monthly vaccination strongly recommended.**

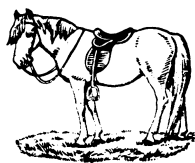

This will be an express condition of entry, and all passports and ponies will be checked upon arrival prior to unboxing on show days***

****For full details of vaccination requirements will be contained within the 2026 Breed Show schedule when issued***

There will be no Working Hunter classes at the breed show this year due to uncertainties over ground conditions. We are hoping to run the NPS qualifier classes later in the year along with a Performance Grading day, further details to follow.
