News:

NFPB&CS Annual Breed Show: 29 & 31 August 2026

The schedule for the annual breed show is now available on the society website here: [NFPB&CS 2026 Annual Breed Show](#)

Entries will open in due course via www.entrymaster.co.uk and close on 17 August. Late entries will be taken on the day subject to a £5 surcharge for members and a £10 surcharge for HOYS entries.

*****Due to the current outbreak of Equine Influenza in England, attendance at the Annual Breed Show will be subject to all entries being vaccinated, with a minimum of an in-date, annual vaccination* with six-monthly vaccination strongly recommended.**

This will be an express condition of entry, and all passports and ponies will be checked upon arrival prior to unboxing on show days***

**For full details of vaccination requirements please see Page 3 of the 2026 Breed Show schedule here: [2026 Annual Breed Show Schedule](#). This subject to continuous review and may be subject to change following guidance from the FEI / BEF / SC & ASAO.*

There will be no Working Hunter classes at the breed show this year due to uncertainties over ground conditions. We are hoping to run the NPS qualifier classes later in the year along with a Performance Grading day, further details to follow.

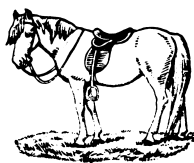

Entries will also open for the Breed Show **Cattle Classes** which will be judged on holdings or the open forest on Thursday 27 August. A separate entry form for the cattle classes will be available on the Society website shortly.
