News Update & Calendar of Events: August 2026

News:

Cancelled - NFPB&CS Annual Breed Show 2026 - Cancelled

The Society Council have made the very difficult decision to cancel the Annual Breed Show (including the Cattle Classes) due to be held on the 29 & 31 August this year.

The decision, due to the ongoing cases of Equine Influenza across the country and in the New Forest area, has not been taken lightly. The Council feel strongly that the welfare of the ponies, both on and off the forest must be a priority.

We apologise for any inconvenience this may cause and thank you for your understanding.

We are, however, pleased to confirm that our **Breed Show HOYS Ridden Qualifier Class** will be run at the **Romsey Show on Saturday 12 September**. The class will take place in Ring 5 and not before 3.15pm.

Competitors **MUST** use the official Horse of the Year Show entry form available online via Entrymaster here: [Entrymaster](#). This must be fully completed with all ID numbers included. Entries close on **Wednesday 09 September** and there will be no late entries or entries on the day.

The class judges will remain unchanged from those previously advertised (Mr M Sheen & Mrs L Sims).

For full details of the class entry requirements and conditions please see here: [2026 HOYS Class Details](#)

****Return of the 2025 Breed Show Cups****

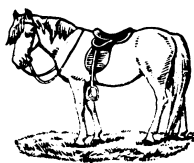

Following the decision to cancel this year's Breed Show, the Society still require the return of cups that were won at last year's show in the usual way.

All cups must be returned clean and undamaged and should be returned **by 01 August 2026** to: Mrs Pauline Black, Radio House, Pilley, Lymington, Hants SO41 5QP. Tel: 01590 672548.

As per General Administration Rule 4, winners of cups that are not returned will NOT be permitted to compete at the show in the following two years. This rule will be strictly adhered to, except in proven circumstances.

Registration Refresher Day:

On the 4th of July, the Society held a Registration & Passport Application refresher morning attended by around 40 members. The event was run by Robert Maton and supported by the Registration Subcommittee, the Society Office team, and kindly hosted by James Young and Trudy Nineham at Ford Farm, Brockenhurst.

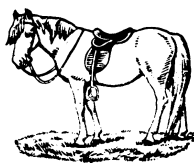

Members attending were taken through the key points of the Breed Standard and how to complete registration and passport application forms correctly and accurately. Those attending were then given the opportunity of running through some practical examples and completing application forms using live case studies.

The Society also produced a *Registration and Passport Application Refresher Guide* to accompany the morning full of useful information and key points applicable to registrations, the Breed Standard and the New Forest Pony Breeding Programme. The guide is available for all members to download and use and can be found on the Society website here: [NFPB&CS Registration & Passport Application Guide](#).
