CANCELLED

**Autumn colt inspection / Futurity foal assessment & Mare grading day
at Beaulieu Road**

Saturday 26 September 2026

CANCELLED

Due to the ongoing equine flu situation in the New Forest area and the recent cancellation of the October Beaulieu Road sale by the New Forest Livestock Society for the same reason, the Society Council have taken the decision to cancel the planned inspection, grading and futurity day which was due to be held next month at Beaulieu Road.

The next inspection day will be held in the Spring of 2027, full details to be confirmed in due course.

For owners of colt foals that were considering presenting for the Futurity Scheme this year, these can instead be presented and assessed as yearlings at the spring inspection day next year.

Any yearling colts that are presented, pass the assessment and are taken forward into the Futurity scheme (funds permitting) in the spring next year will also receive the £250 foal premium they would have received had they been presented and been taken forward in the Futurity scheme as foals this autumn.

Any referral colts from the 2026 spring inspection can be re-presented at the spring 2027 inspections in the usual way.
